

your children & parents, your dead are **not** more precious, **nor** are they purer, **nor** are they holier, **nor** are they more sacred....not at all...You don't matter, not one bit....none of you...For years we have been treated like creatures of a lesser God, and this is exactly how we see you today, exactly the way you treated us...like dirt, crap, filth. On the Day of Judgment you will be tormented worse than you have tormented the people, the children, of the world.

"Muslim men" love to be patted on the back by the American/Western trash. And if the one doing the patting is a white feminist American crap how the "Muslim" dog will yap like a poodle.

No, no...don't screw up your face, **yer!** Right now they are murdering Muslims directly & indirectly. As their devastating bombs of "Freedom & Liberation" are unleashed from the skies. As Muslims huddle on damp earth, terrified...surviving on a prayer & pure instinct. Awaiting death, **not** through the destiny of God, but through the gruesome evil of **Americain**. Kill one...kill all humanity. Over & over...humanity killed.

And we, good, nice Third World dogs that we are, must remain quiet & not bark "controversial" things. And God, mashaallah, Third World "god" that he is, will truly bless the "brave murderers" & the white American feminist monsters. Like the idiot Ann Coulter...she of the verbal diarrhea: "We should invade their countries, **kill** their leaders & convert them to Christianity." She's not alone. **Americain** is infected with many human viruses like her. With their callous, indifferent minds. **ACT! for America** leader Brigitte Gabriel used her venomous tongue to utter this slimy diatribe: "Every practicing Muslim is a **radical** Muslim." When asked whether Americans should "resist Muslims who want to seek political office in this nation," *crappy* Gabriel said: "Absolutely. If a Muslim who has – who is – a practicing Muslim who believes the word of the Koran to be the word of Allah, who abides by Islam, who goes to the mosque and prays every Friday, who prays five times a day – this practicing Muslim, who believes in the teachings of the Koran, **cannot** be a loyal citizen to the United States." This trashy Gabriel is no friend of the ArchAngel!

During **Americain's** nine year course of a "war on terror" how many millions of people are there, in Afghanistan, Iraq, and in Pakistan who have lost everyone they **loved** & everything they had during this excruciating charade of "peacekeeping," "nation building", "democracy" and "women's rights?"

Let's examine the slanderous comments that will be made by the stooges against the one who has

compiled this minuscule dossier of **Americain's** murders: "He's arrogant, irrational, mad, bitter, crazy." Really? Isn't that what they called the Prophets of God too? "By the grace of your Lord you, Muhammad, are **not mad.**" (68:2) Look in the mirror you "sorrisome poodle"...there you will see arrogance, irrationality, madness et al." Was Moses (p) mad in opposing the "**Americain**" of his day? Was Jesus (p) mad in opposing the "**Americain**" of his day? And dear Muslim stooge, was Muhammad (p) mad, irrational & arrogant in opposing the "**Americain**" of his day? If you were living in Muhammad's (p) time and you were earning millions from the "idols" in which camp would you have stood...when the call went forth to worship ONE God? The call of ONE God, the call of Islam is the call of establishing JUSTICE. Prayers are meaningless, Quranic readings are purposeless, duas are insignificant, zakat is worthless...**without a struggle for Justice**. You live a fake religiosity because of your lack of support for suffering humanity. Re-read, *with understanding*, Moses' (p) struggle with Pharaoh until you truly understand your purpose & existence.

After all the left-handers from **Americain** and their stooges worldwide were hotly dealt with I stepped forward. I drew a deep breath. The angel breathed a cool sigh of relief...as my record was given to me in my right hand. I exhaled deeply. **Speak the Truth in the face of the tyrant** was enough to eliminate all my other sins. I humbly thanked God. I entered into eternal Peace. A Place where there is no controversy or controversial words. A Place where I see the resurrected – murdered children of war, children that were buried alive, aborted babies, assassinated men of Truth (Umar, Uthman, Ali, Malcolm X, millions murdered by dumb superpowers either by 'smart' bombs/guns/starvation). They are all smiling, wearing crowns that dazzle. And though I am smiling, my face is awash in tears. If only those monsters had listened whilst they were on earth. *If only*...and an angel dries my tears...And the memories of the earth and its troubles are erased from my mind/soul forever. I am reformatted. And Windows **Peace**, Version **Forever**, is loaded. And when I am rebooted...my soul is asked "Who is your Lord?" The Glorious Allah!!! *Allah* The angel then leads me circumambulating the Throne of God with words of glorification upon our lips. Glory be to God. All Praises are for Him. Around & around we go. Intoxicated with His Love. Divine Lovemaking. An Eternal Orgasmic Glow on my Soul. **Peace Forever** ...for there is **no more** rising of any Dawn. May all of you be blessed to be People of the Right! May all of you be by the Throne...clutching your Visas... of Paradise.

Ameri-CAIN

Those who mouth the words of justice while carrying out acts of oppression that make Pharaoh's acts look like child's play...

Only fools would relate the stories of **Americain's inhumanity** in the manner of **praise**. "Democracy" is reduced to only PR spin phrases meant to make the brainless believe. And shockingly the Ummah is awash in Muslim fools, the "democratic believers." The Prophet (p): In the end times you will be large in numbers but will be like scum on the ocean front. **SCUM!** Scum that has long beards and sport fashionable hijabs. Scum who worship at the statue of liberty...a false name & a false image. Their ingenious engineers should have erected **The Temple of Cain** (painted a **deep red**) to honour their "murderous nature." Political vampires who have sucked the blood out of nations and humanity. Millions of people worldwide lie in "untimely" graves because of **Americain's** military monstrosity. How can any decent human being fall prostrate to such a political demon? Much less one who dares to label himself "Muslim."

You may want to feign forgetfulness, you who wears the mask of Muslim;

ALLAH does not forget.

1. Millions of Red Indians murdered by the "**Americains**" & stealing the Indians' LAND.
2. Millions of Africans enslaved, murdered.
3. How about NOW. Over one million murdered Iraqis/Afghanis. The murdered list is long... but I'll grit my teeth & stop. What's your excuse, O "Muslim" for your **Americain** genuflection? Aren't you ashamed to give your asinine khutbahs praising murderers... **Scum!!!** Do you reflect on the thousands of women, girls raped by the "sex maniacs" from the uncivilized crap called America. You shameless "Muslim" creature is a perfect example of Shakespeare's line:

"Upon their brow shame is ashamed to sit."

It's the Day of Judgment! A frightening boom as the name is announced for his reckoning. *George W. Bush!* He is dragged screaming by stern angels to the Throne of God. A false, mythological king face-to-face with the Real King. He trembles uncontrollably. Aware of his eternal damnation. He is left-handed but that's **not** the reason he collects the record of his deeds in that hand. Judgment is passed and he is flung into hell. **Forgotten. Mission, now properly, Accomplished!**

Madeline Albright (all is dark in her heart) the callous, ugly American trash used God's gift of the vocal chords to mouth this piece of crap on 60 Minutes (5/12/96). Lesley Stahl on U.S. sanctions against Iraq: We have heard that a half million children have died. I mean, that's more children than died in Hiroshima. And, you know, is the price worth it? Secretary of State Madeleine Albright: I think this is a very hard choice, but the price – we think the price is worth it.

And the angels hurl her into hell. A secretary in a horrible state. And the millions of murdered children, now resurrected, ask her mockingly, "Was it worth it?" From a "60 minutes" gloating to "timeless" roasting.

One by one the American criminal presidents, soldiers and their "freedom" loving people are judged. Was this nation mostly left-handers? And Hell is asked: "Are you full? And Hell puffs: "Are there more?" (To use Bush's idiotic statement... "Bring 'em on!!" And columns of fire, millions of times hotter than "Shock & Awe" consumes their sinful souls, over and over...their screams and agonies an everlasting joy for Hell.

And the millions of murdered children of Iraq, Afghanistan, Palestine, denied their earthly joys, have received JUSTICE. God does not have a furious grudge against American or Israhell. He's a Just Judge that loves Abel.

We have entered an age in which, as William Butler Yeats wrote, "the best lack all conviction and the worst are full of passionate intensity." We are all familiar with Greek mythology. Nations of the future will marvel at our contemporary mythology, which many think as fact, "American Freedom."

Cain was the manifestation of the person to whom the physicality of this world is of utmost

importance. Acquisitions and status is to them life. Abel was just the opposite; the physical was merely a transient stage. Abel had **no** difficulty in parting with his best animals; it had little attraction for him. He could eat from others; the physicality of the world had little hold upon him. Cain could **not** put the physical aspects of the world aside. To sacrifice the best to God who had no need for the best was a waste. Why should Cain suffer for no apparent reason?

Yet this was the reason that Cain was to become known as the first murderer recorded in the history of mankind. He was unable to look at the world as a transient and temporal abode whose pleasures are fleeting and **not** worthy of man's notice. True the material world is our reality, but compared to God, the reality of the world falls shallow. And this is the reason America marches around the world under all pretexts & guises committing murder. This world is of the utmost importance to these monstrous animals.

It is still not understandable why Cain would choose to kill Abel. True, we can understand why he would be upset that his younger brother would upstage him, but what did killing him accomplish?

It appears that the Quran is telling us something much deeper about the nature of man. Whereas the acceptance of Cain's offering had little, if anything, to do with his brother, Cain seemed guilty of a mistake in judgement. He believed that the quality of the offering was not as important as the intent of the giver. He was wrong.

What would a rational and thinking person do? He would accept that there was an error in his judgement and make a new and proper offering! Cain however did what many people do in such situations. Instead of accepting the blame for his mistake, he shifted the guilt to someone else. Abel became the first scapegoat to be recorded in the world! Malice in the heart ended in murder by the hands.

(Quran 5:26) Tell them the true story of the two sons of Adam. Each one of them offered a sacrifice. God accepted the sacrifice of one of them but not that of the other who then said to his brother, "I shall certainly kill you." His brother replied, "God only accepts the offerings of the pious ones." (5:27) "Even if you try to kill me, I certainly shall not try to kill you. I have fear of God, the Lord of the creation." (5:28) "I would prefer you to take sole responsibility for both our sins and thus become **a dweller of hell**; this is what an unjust person deserves." (5:29) His soul prompted him to kill his own brother. In doing so he became of those **who lose** (5:30). God sent down a raven which started to dig up the earth to show the killer how to bury the corpse of his brother.

On seeing the raven, he said, "Woe to me! Am I less able than a raven to bury the corpse of my brother?" He became **greatly remorseful**. (5:31)

You should have got the picture. You murder...you become a dweller of hell. You lose. The divine picture never fades/changes. The Americans murder...they become dwellers of hell. They lose. Their "democracy," their "freedom of speech," their "home of the brave" crap would all be hurled into hell. With them!!!

The **Americains** have a deep-seated compulsion to perpetually mythologize themselves, always at the expense of other peoples. You can understand why they need to mythologize themselves when you consider that they founded their country on the **brutal genocide** of Native Americans and the **brutal enslavement** of Africans. Any American with a conscience would naturally feel shame about those historical facts, and the easiest way to make such exquisitely uncomfortable feelings quiet down (but that's not me! that history is not in my DNA!) is to substitute them with **heroic fantasies about their greatness**. They pass on these fantasies from generation to generation, they teach them to their children and call it "history," and their politicians repeat them incessantly.

For the Muslims who prostrate to **American** there's no need to sputter your anemic defensiveness. And no need to call this "controversial." Americans are trash. They have treated Iraqis, Afghans, Palestinians and those they contemptuously call "Third World" as sub-human species. They believe they are the belly-button of the universe but what an **UGLY** navel they have.

The Oscars, the celebrities, the sports, the junk food – the export of their "sick sex culture," that's all that matters to their ugly selves.... So... Your lives, your homes, your parents, your children, your health, your wealth...all **that** alone matters...and everyone, every single being on this globe is supposed to empathize with you, understand you, feel with you, with your crisis, with your unemployment, with your disease, with your economic crash, with your homeless, with your dead and dying...every single one...Well there is shocking news for you...you **don't** matter, not one bloody bit....none of your stories, whatever they are, matter...Your lives & your homes,

O You who believe!

Be upholders of Justice, bearing witness for God alone, even against yourselves or your parents and relatives.
