Support for the Brochure & DVD Projects

“Wealth is verdant and sweet. Anyone who takes it reluctantly will be blessed in it but anyone who takes it with the uncritical approval of his lower self, namely with avarice and greed, will not be blessed in it. He is like someone who eats and does not become full.” Prophet Muhammad (p)

The DVD project started in May 2006 on Ch. 2. High quality documentaries has made it a well watched program by Muslims and non-Muslims. See the list on zamals.com
